<p>Is the request for match funding? If so, what percentage is being sought from WLTT?</p> <p>(Provided that applications meet the criteria of the Trust's scheme, those applications where WLTT funding provides 'leverage' to access additional funding sources, are generally viewed favourably by WLTT)</p>	
<p>If the application is for match funding, where possible, please give details of the other funders that are being approached</p>	
<p>How many people will benefit from the funding?</p>	
<p>If not all the beneficiaries are from Looe (e.g. some clubs and societies serve the wider area) what proportion are from Looe?</p>	
<p>If the request is to purchase capital equipment, have the applicants sought competitive quotes from more than one supplier?</p> <p>(WLTT will ask for evidence of this)</p>	
<p>Will capital equipment be secured/insured against damage/loss?</p>	
<p>For capital equipment grants, does the applicant have financial plans for any maintenance and/or eventual replacement?</p>	

<p>Is the request for 'start up' funding, with the aim that the project/event will be self-sustaining in future?</p> <p>If so, provide further details indicating how this will be achieved.</p>	
<p>Does the request carry risk, e.g. does the applicant seek funding for costs that would be non-returnable in the scenario that the project/event fails, or fails to secure matched funding, planning permission etc.?</p> <p>(In general, WLTT does not fund applications where it's money is at risk, since this does not represent best use of the charity's funds)</p>	
<p>What are the consequences of WLTT not providing funding?</p>	
<p>If the request is not suitable for direct financial funding by WLTT, are there other ways in which WLTT could provide support e.g. use of property/land?</p>
